

CHESTER LANCE R. PINEDA

Angeles City, Pampanga | 0976 166 5680 | chesterlancepineda@gmail.com

PROFESSIONAL SUMMARY

Computer Engineering graduate with backend development internship experience and strong academic background in AI and Machine Learning. Skilled in API development, backend integration, database management, and model training using PyTorch and TensorFlow.

EDUCATION

Bachelor of Science in Computer Engineering

Holy Angel University (HAU) | Graduated: April 27, 2026

INTERNSHIP EXPERIENCE

Backend Developer Intern — System Sense | Jan 2026 – Mar 2026

- Developed and maintained APIs for a self-order web application
- Created backend features, bug fixes, and supported system integration
- Assisted in testing, Git merging, and task coordination using Redmine
- Worked efficiently in a 3-member team handling multiple responsibilities

Tech Used: NestJS, PostgreSQL, Git, Docker, Next.js, CI/CD

THESIS PROJECT

AI-Integrated Child Behavior Guidance System Using Music Cues

Developed an automated system to improve child safety in preschool/daycare environments.

- Built and trained ML models for behavior detection
- Applied computer vision and deep learning for real-time monitoring
- Developed scalable workflows based on dataset improvements

Tools: TensorFlow, PyTorch, Python, OpenCV, Kivy, NumPy, YOLO, Keras

SKILLS

Programming: Python, JavaScript, TypeScript, SQL, Java

Backend: Node.js, REST APIs, Authentication, CRUD, API Integration

Machine Learning: PyTorch, TensorFlow, Scikit-learn, Model Training, Deep Learning, Computer Vision

Database: PostgreSQL, Supabase

Tools: Git, GitHub, VS Code

CERTIFICATIONS

Introduction to IoT and Digital Transformation (2026) | Introduction to Modern AI (2025) | Cyber Threat Management (2025)

Enterprise Networking, Security, and Automation (2024) | Switching, Routing, and Wireless Essentials (2024)

Introduction to Networks (2023) | IT Essentials PC Hardware and Software (2023)
